

Quality & Environmental Policy

The Lemon Press provide commercial lithographic and digital printing. The management and all who work at The Lemon Press are committed to supplying cost effective, high quality printing to the total satisfaction of our customers.

We recognise that our printing operations have an impact on the environment and consequently we are dedicated to enhancing environmental performance, protecting the environment and preventing pollution.

To achieve these goals The Lemon Press will:

- Implement an integrated Quality and Environmental Management System meeting the requirements of ISO 9001:2015 and ISO 14001:2015.
- Ensure that the requirements of customers are met and comply with regulatory and other applicable obligations.
- Understand the internal and external issues that can impact upon the business, identify the requirements of interested parties and, address any associated risks and opportunities.
- Set and monitor objectives to achieve continual improvement of the Management System.
- Seek to minimise the quantities of waste produced and reduce where possible the use of paper, chemicals and energy.

This Policy will be made available to all interested parties upon request and communicated to all employees within the organisation.
